

February 29, 2012

Dear

(Blank) School District is participating in Kids Voting 2012, and we need your help. We invite your school PTO to Adopt A Precinct (or two!). (Name, a parent ...). will be coordinating the Adopt A Precinct program in (Name) School District.

Kids Voting is a civics education program that culminates with students in grades K-12 “voting” on Election Day with their parents. The purpose of the program is three fold: 1) to teach students about their rights and responsibilities as citizens in a democracy; 2) to provide a hands-on voting experience; 3) to increase adult voter participation through a “trickle up” effect with children taking their parents to the polls.

We are starting early in hopes that your school will “adopt” a precinct and select a Kids Voting Precinct Captain this spring. The Captain will work with (name of volunteer coordinator) and me to secure a KV polling station at your precinct location and sign up volunteers for (two) shifts needed on Election Day, Tuesday, November 6th. None of this takes a lot of time. Captain training and material distribution will be in October.

Please get back to (name of volunteer coordinator) or me with your “adopted” precinct and Captain information before June 1. Any questions, please feel free to contact us.

Sincerely,
